**HERITAGE ARTS ADVISORY COMMITTEE REPORT**

The Heritage Arts Advisory Committee Liaison reported that the City is currently is looking to hire someone to exclusively oversee and maintain all city-owned artwork throughout the City. Currently the Department of Public Works is handling only any reported maintenance issues. However, since they are not being regularly maintained, over time some pieces will end up severely dirty or even damaged and become far too expensive to clean up or repair. Soaring Dreams is a good example. This piece after being neglected over time became extremely filthy and will now cost the City a good amount just to get it cleaned.

The Farmers Market hours will be extended to 7:00 p.m. every third Thursday of the month throughout the summer. Staff is working on possibly scheduling some type of entertainment or health demonstrations/presentations on these days.

The Gourmet Food Trucks will be at Little Lake Park every Thursday 5:00 p.m. - 9:00 p.m.

The next Council Meeting will be on Thursday, July 24, 2014. At this meeting they will be recognizing those who made donations to the Art Fest and also thanking the staff, coordinators, supervisors and directors who helped work the event.

In the month of July the Heritage Arts Committee will be working on giving out grants to the local schools.

The Imperial Archer already has its case. However, now they are trying to decide where it would be best to include a plaque.

**COMMITTEE PROJECTS FOR 2014**

***Tree Lighting Ceremony December 6, 2014*** – Just a reminder that the Tree lighting Ceremony will take place December 6, 2014, in the Town Center Plaza.

***Beautification Tours*** –Beautification Tours have been successfully completed and are now awaiting final approval from the Planning Department/Code Enforcement.
