

# Paramedic Subscription Program

The Paramedic Subscription Program provides Santa Fe Springs residents the opportunity to purchase paramedic fee coverage at a very moderate annual cost. Without the Paramedic Subscription Program residents must pay \$369.25 per response.

## Paramedic Subscription Program Fees

**\$60 a year**

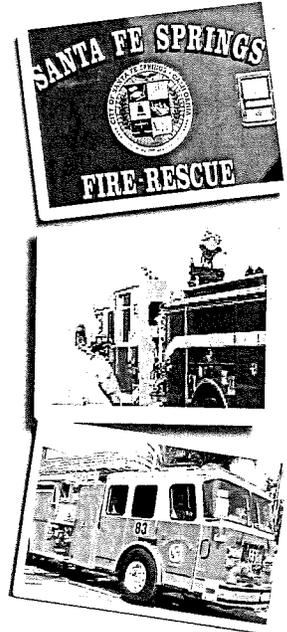

\$5 monthly fee can be added to residents' water bill\*

The program covers 911 emergency medical calls. Ambulance/Emergency transportation is **NOT** covered. **The Paramedic Subscription Program fee does not include ambulance costs.** These fees are set by the County of Los Angeles and billed separately by the ambulance company. The Santa Fe Springs Fire Rescue Department provides medical treatment to the patient but does not have an ambulance for transportation; a separate company provides that service.

All individuals residing at the address at the time of membership will be covered by the program.

To subscribe, fill out and detach the application form and return to Fire Department Headquarters 11300 Greenstone Avenue Santa Fe Springs, CA 90670 (562)944-9713 Fax (562) 941-1817
